

Free Webinars on Recovery, Rebuilding and Mitigation

Release Date: Mar 2, 2021

FEMA wants to help you with your recovery. Homeowners, renters, and business owners may benefit by attending free webinars on a variety of subjects.

Topics include:

- Disaster Clean Up: Flood and wind damage, as well as mold remediation;
- Selecting and Working with Contractors;
- Using Water-Resistant Building Materials: Dealing with flooding and burst pipes;
- The National Flood Insurance Program (NFIP): What you need to know;
- Flood Mitigation Techniques: Simple techniques you can use to make your home more resilient;
- Wind Mitigation Techniques: Using brackets and connectors. Publications to guide your repair, rebuilding, and retrofitting efforts; and
- Basic Mitigation for Volunteers: Community Education and Outreach (CEO) specialists talk with volunteers on mitigation techniques and how to be safe in their efforts to help others.

To speak to a CEO specialist call: 833-FEMA-4-US or 833-336-2487. Experts are available Monday – Saturday, 8 a.m. to 6 p.m.

These specialists will provide information on how to repair and rebuild safer and stronger during these webinars.
